

Count on Guarantees

The Benefit of a Guaranteed Minimum Account Value

Guarantees. They can be important in uncertain times. The Indextra Series of products (Indextra) can help create confidence with a feature that guarantees your money will grow — the Guaranteed Minimum Account Value (GMAV).

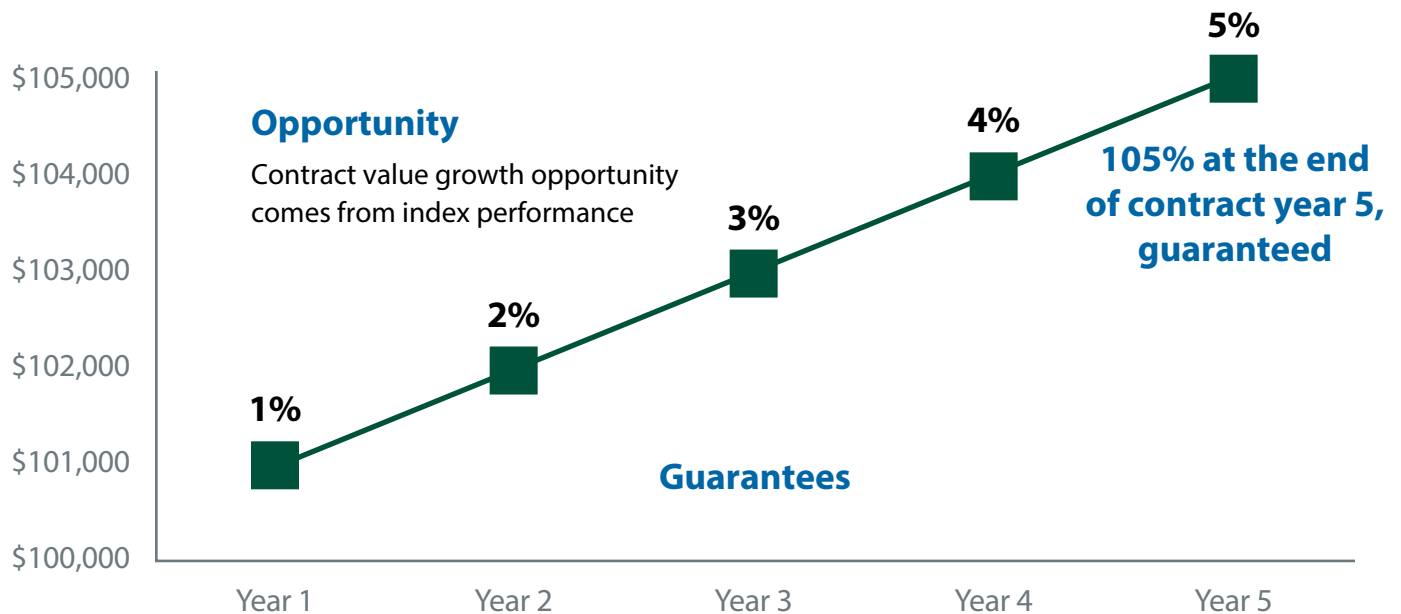

Indextra is a single premium deferred fixed indexed annuity that earns interest based on changes in a market index, which measure how markets or parts of markets perform.

The GMAV is your premium (less any withdrawals, withdrawal charges and rider charges) multiplied by **105%** at the end of the 5th Index Year, which aligns with the withdrawal charge in the period Indextra annuity contract. Indextra includes this feature at no separate charge.

Guaranteed Minimum Account Value in Year 5 = 105%

How Indextra’s Guarantee Works*

Earn 1% per contract year, no matter what happens in the market.

*Example assumes no withdrawals taken and no guaranteed lifetime withdrawal benefit elected.
Note: Percentage applies only to the withdrawal charge period stated. Assumes no withdrawals or rider charges.

Guarantees are Stability You Can Count On

Receive **guaranteed stability** with a 105% enhanced percentage for the five year withdrawal charge duration.

At the end of the index year immediately following the withdrawal charge period, Integrity reviews your account value. If it is less than the enhanced value shown below, Integrity **increases** it to equal that enhanced value.

| Withdrawal Charge Duration | 5-Year |
|-----------------------------------|--------|
| Guaranteed Enhancement Percentage | 105% |

The benefit applies one time only. Any increase goes to the fixed interest option. The account value still may fall below the GMAV in later years if interest credited is less than charges taken for riders.

Each annuity in the Indextra Series has a different set of current rates, including participation rates and interest rate caps. A financial representative may offer only one Indextra Series annuity.

Ask your representative how you can get the guarantees you deserve with Indextra.

Payment of benefits under the annuity contract is the obligation of, and is guaranteed by, the insurance company issuing the annuity. Guarantees are based on the claims-paying ability of the insurer. Earnings and pre-tax payments are subject to ordinary income tax at withdrawal. Withdrawals may be subject to charges. Western & Southern member companies and their agents do not offer legal or tax advice. Interest rates are declared by the insurance company at annual effective rates, taking into account daily compounding of interest. Product and feature availability as well as benefit provisions, vary by state. See a financial professional for details and limitations.
